

REMARKS

In response to the Second Notice of Non-Compliance dated December 5, 2007, Applicants have corrected the claims to reflect the current state of the claims. Claims 1-81 have been canceled. In a previous response, Applicants canceled claims 1-20 and added new claims 21-39. However, claims 1-81 should have been canceled and the new claims should have been numbered 82-100. Accordingly, the present response to the Second Notice of Non-Compliance shows the correct numbering and status of the claims. Claims 82-100 are pending.

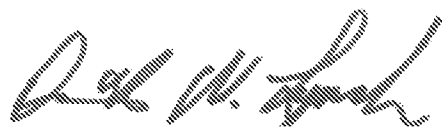

On the basis of the above amendments and remarks, it is respectfully submitted that the claims are in immediate condition for allowance. Accordingly, reconsideration of this application and its allowance are requested.
